Conclusion

National Civil Defence Cadet Corps (NCDCC) was established to provide another perspective to Uniformed Groups' experiences in developing greater awareness of civil defence in our students and to prepare them with the desired knowledge and skills to respond during times of emergencies.

NCDCC seeks to:

- equip our cadets with civil defence and life-saving skills
 - ❑ save lives in times of need
- nurture active and concerned citizens with strong sense of civic responsibility
 - ❑ play an active role in bettering the lives of others
- allow continual development and empowerment of our cadets
 - ❑ confident self-directed learners, as well as active and concerned citizens
