

St. Hilda's Secondary School National Civil Defence Cadet Corps

We Learn

We Lead

We Serve

What is NCDCC?

Our Vision: A choice uniformed group of community first-responders.

Our Mission: To develop and empower our youths to be active and concerned citizens advocating life-saving skills.

Our Values: Noble, Caring, Disciplined, Courageous, Committed.

What do we do in our everyday sessions?

In our day-to-day sessions, we allocate time for theory lessons. In these lessons, we teach a variety of life-saving skills like bandaging, cardiopulmonary resuscitation (CPR), rescue methods and many more useful skills.

What do we do in our everyday sessions?

We also allocate time for teaching foot drills. This teaches us an array of values, like discipline and being a strong and cohesive unit.

We also occasionally have bonding games as a unit, one of the key ones we had being Laser Tag.
